The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 00012

Dear Supervisors:

**APPROVAL OF SPECIAL TAX LEVY FOR
COMMUNITY FACILITIES DISTRICT NOS. 1, 2, 3, 4, 5, 6 and 7
(THIRD, FOURTH AND FIFTH DISTRICTS)
(3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt Resolutions to levy the 2003-2004 Special Taxes for Community Facilities District No. 1; Community Facilities District No. 2; Community Facilities District No. 3 Improvement Areas A, B and C; Community Facilities District No. 4 Improvement Area C; Community Facilities District No. 5; Community Facilities District No. 6 Improvement Areas A and B; and Community Facilities District No. 7.
2. Instruct the Treasurer and Tax Collector to implement the levy and collection of the 2003-2004 Special Tax.
3. Instruct the Auditor-Controller to put the Special Tax on the 2003-2004 property tax roll.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Ballot propositions authorizing the issuance of bonds and the levy of a Special Tax to repay the bonds have previously been approved by your Board for each County Community Facilities District (CFD). Under State law, each year your Board is required to approve the levy of the Special Tax in the amount sufficient to provide for the debt service on the bonds and to pay administrative expenses.

The following details the total tax levy for each district and describes the impact on property within each district.

CFD No. 1 will require a total tax levy of \$693,138. The amount applicable to property will be apportioned in a range of \$47.30 to \$38,216.86 per parcel.

CFD No. 2 will require a total tax levy of \$817,461. The amount applicable to developed land will be apportioned in a range of \$1,026.37 to \$1385.91 per parcel.

CFD No. 3, Improvement Area A, will require a total tax levy of \$1,623,694. The amount applicable to developed land will be apportioned in a range of \$753.74 to \$1,959.18 per parcel. Improvement Area B will require a total tax levy of \$3,116,990. The amount applicable to developed land will be apportioned in a range of \$1,102.85 to \$2,124.18 per parcel. Improvement Area C will require a total tax levy of \$700,939. The amount applicable to developed land will be apportioned in a range of \$1,841.79 to \$2,228.94 per parcel and the amount applicable to undeveloped land will be apportioned at \$11,624.97 per acre.

CFD No. 4 - The special tax obligation for Improvement Areas A and B were refunded by the City of Calabasas, and are no longer under the administrative control of the County. Improvement Area C will require a total tax levy of \$74,549 which will be levied on undeveloped property at a rate of \$6,191.78 per acre.

CFD No. 5 will require a total tax levy of \$954,350. The amount applicable to developed land will be apportioned in a range of \$1,556.75 to \$2,097.19 per parcel.

CFD No. 6, Improvement Area A, will require a total tax levy of \$355,270 which will be levied on developed property at a rate of \$5,824.10 per parcel. Improvement Area B will require a total tax levy of \$218,032 which will be levied on undeveloped property at a rate of \$190.68 per acre.

CFD No. 7 will require a total tax levy of \$631,022. The amount applicable to developed land will be apportioned in a range of \$1,668.46 to \$2,612.23 per residential parcel.

The tax levy amounts detailed above are the maximums to be authorized by your Board for each District for FY 2003-04. Please note that we have a refunding of the outstanding bonds underway for CFD No. 6, Improvement Area A, which will reduce the annual debt service requirements once the transaction is completed. We expect that as a result of this refunding, we will also be able to reduce the annual tax levy requirement to reflect the lower debt service. However, since the refunding is not yet completed, we

are requesting authorization of the total tax levy amount that would be required without a refunding. Once this transaction has closed, we will adjust the tax levy lower to the amount actually required for this District.

Implementation of Strategic Plan Goals
